Inside of helmets

Storage/Lifetime

Storage:

- Can be stored and transported in their original cartons at ambient temperature (0°C to + 30°C)
- May be stored in the dark for up to **5 years**
- Do not store in direct/high heat or sunlight as this may distort the product

Lifetime:

- Cradle/Headbands have an in-use life to up to **5 years**
- Excessive wear and tear can considerably reduce the lifespan of the product

Cleaning

- Clean using warm soapy water and soft cloth. Sweatbands (except for PVC type) are disposable
- **Do not** use solvents or abrasives
